Proposed Home Page Concept #1

2011/05/09/jc

Annotations

1. User login/status menu
2. Site Search field
3. Upcoming events (dynamic)
4. Primary Navigation
5. Feature Banner (slideshow rotator)
6. Development links
7. Resource links
8. Community links
9. Dev feed (Launchpad)
10. Latest resources (website)
11. Community News (planet)

The wireframe shows the layout of the proposed home page. At the top is the Evergreen logo. Below it is a navigation bar with links for About, Download, Docs, Help, and News. A large grey banner area is intended for a feature banner. To the right of the banner is a search field and a section for upcoming events. Below the banner is a 'CONNECT WITH US' section with a Facebook icon. The main content area is divided into three columns: Development, Resources, and Community. Each column has a list of links. At the bottom, there are three news sections: Development News, Latest Resources, and Community News.
