## Proposed Home Page Concept #1

2011/05/09/jc

### Annotations

1. User login/status menu
2. Site Search field
3. Upcoming events (dynamic)
4. Primary Navigation
5. Feature Banner (slideshow rotator)
6. Development links
7. Resource links
8. Community links
9. Dev feed (Launchpad)
10. Latest resources (website)
11. Community News (planet)

The wireframe shows the layout of the proposed home page. At the top left is the logo 'EVERGREEN™' with a stylized tree icon. To the right of the logo is a 'User Actions' menu (1) and a 'Search' field (2). Below the logo is a primary navigation bar (4) with links for 'About | Download | Docs | Help | News'. The main content area is divided into several sections: a large grey feature banner (5) with a '1 || 2 || 3 || 4' indicator at the bottom; a 'CONNECT WITH US' section (8) with a Facebook icon; a grid of three columns: 'Development' (6) with links like 'Contribute Code', 'Roadmap', 'Report Bugs', 'Feature Request Process', and 'New Feature Percolator'; 'Resources' (7) with links like 'Official documentation', 'Community wiki', 'Resources by topic', 'Resources by audience', 'Guides', and 'Mailing list/IRC archives'; and 'Community' (8) with links like 'Evergreen Libraries', 'Evergreen People', 'Committees & Groups', 'Service Providers', 'Conferences & Events', and 'Mailing list and IRC/chat'. At the bottom is a grid of three columns: 'Development News' (9), 'Latest Resources' (10), and 'Community News' (11), each with a list of items indicated by asterisks and dashed lines.
